Full-Day students are no more than \$350.00 due to R-S-G

**50% off is given for the second sibling enrolled into the Program at the same time**

***If gross income is over a category, go to the next category. There is no minimum or maximum amount any family can make.***

**R-S-G -- Ready-Set-Go -- \$350 per month**

This is a program that was developed for children who qualify for kindergarten but may need an additional year of preschool programming. This program is for the child that is 5 years old before September 30<sup>th</sup> for all school districts with the exception of Southwest Licking, Licking Valley, North Fork, Licking Heights and Heath whose cut off for kindergarten is August 1<sup>st</sup>. Some exceptions are made for the October, November and December 5 year olds. The class focuses on pre-academics, listening skills and the basic foundations of kindergarten. **Due to limited space, early enrollment is a must!**

**Full Day at Jersey - \$350 per month**

This classroom is funded strictly per fees. The full day classroom at Jersey will not use the sliding fee scale.
